

VIP-6

Building on the successful VIP 2 platform, the VIP 6 has all the amenities offered in its smaller cousin with much more capacity.

"Meets and exceeds the standards set out by the Ontario Ministry of Labour."

Built for high levels of use and higher levels of comfort during any season, the VIP-6 meets and exceeds the standards set out by the Ontario Ministry of Labour. This heated and insulated unit has hot and cold running water, ceramic toilet, urinal and sink, and provides ample room inside its six private rooms.

A standard service is performed once a week. Trained technicians clean the washroom, remove the waste and resupply the unit as required. Servicing can be scheduled more or less frequently to meet specific needs. All servicing performed on site is documented inside the unit for quality control. 24/7 emergency service is available.
